

**SCHEDULING STATUS [S0]**

Not scheduled

**PROPRIETARY NAME AND DOSAGE FORM:**

GutFora™ Probiotic Capsules

Each capsule contains:

Ingredients	Per capsule
<b>Total probiotic count</b>	<b>1 Billion CFU*</b>
Bifidobacterium lactis (HN019)	500 Million CFU*
Lactobacillus casei (LC-11)	500 Million CFU*
Prebiotic (Inulin)	100 mg

\* CFU – Colony Forming Units.

**Other ingredients:**

Gelatin (Capsule), Magnesium Stearate, Maize Starch. Contains no sugar.

**PHARMACOLOGICAL CLASSIFICATION**

34.9 Category D (Health Supplement) [S0] - Probiotic

**INDICATIONS**

When ingested on a regular basis, probiotics should improve or normalise the microbial balance in the human intestines and thereby improve the functioning of the digestive tract.

Prebiotics such as (Inulin) beneficially affects the intestinal flora by selectively stimulating the growth of the good/beneficial gut flora/micro-organisms which positively affects intestinal health. An average of 6 g prebiotics is needed daily for general digestive health.

**CONTRAINdications**

Hypersensitivity to any of the ingredients.

If you are pregnant or breastfeeding your baby, please consult your health care provider for advice before taking this medicine.

**WARNINGS AND SPECIAL PRECAUTIONS**

Do not exceed the recommended dose. Always follow all directions on your medicine label and packaging.

Not recommended for children under the age of 3 years.

**KEEP OUT OF REACH OF CHILDREN.****INTERACTIONS**

If you are taking other medicines regularly, including complementary or traditional medicines, or start taking any additional medicines while taking this medicine, consult your healthcare provider for advice. Taking antibiotics along with this medicine can reduce the effectiveness of this medicine. To avoid this interaction take this medicine at least two hours after antibiotics.

**DOSAGE AND DIRECTIONS FOR USE**

Adults and children ≥ 3 years: Take 1 capsule daily. Dosage can be increased to 2 capsules per day if needed or as directed by your healthcare professional. Take this medicine at least two hours after antibiotics.

Do not share medicines prescribed for you with any other person. In the event of over-dosage, consult your doctor or pharmacist. If neither is available, contact the nearest hospital or poison control centre.

**SIDE EFFECTS**

Side effects can include intestinal gas and bloating. Not all side effects reported for this medicine are included in this leaflet. Should your general health worsen or if you experience any side effects while taking this medicine, discontinue use immediately and consult your doctor, pharmacist or other healthcare provider for advice.

**STORAGE INSTRUCTIONS**

Store in a cool, dry place below 25 °C. Do not store it in a fridge. Store in original packaging until required for use. Keep away from direct sunlight.

**STORE ALL MEDICINES OUT OF REACH OF CHILDREN.****PRESENTATION**

A printed unit carton containing 10 or 30 GutFora™ probiotic capsules (packaged in a blister strip with 10 capsules each).

**IDENTIFICATION**

White capsules.

**REGISTRATION NUMBER**

To be allocated.

**FARMAKOLOGIESE KLASSIFIKASIE**

34.9 Kategorie D (Gesondheidsaanvuller) [S0] - Probiotika

**INDIKASIES**

Met gereeld inname behoort probiotika die mikrobiologiese balans in die menslike ingewande te verbeter of normaliseer en sodoende, die funksionering van die spysverteringskanaal verbeter.

Prebiotika soos (Inulien) beïnvloed die dermflora voordelig deur selektief die groei van die goeie/voordelige dermflora/mikro-organismes te stimuleer wat dermgesondheid positief beïnvloed. 'n Gemiddelde van 6 g prebiotika word daagliks benodig vir algemene spysverteringsstelsel gesondheid.

**KONTRA-INDIKASIES**

Hipersensitiwiteit vir enige van die bestanddele.

Indien swanger of borsvoed, raadpleeg jou gesondheidsorgverskaffer voordat hierdie medisyne gebruik word.

**WAARSKUWINGS EN SPESIALE VOORSORGMAATREËLS**

Moenie die aanbevolle dosis oorskry nie. Volg altyd alle aanwysings op jou medisyne etiket en verpakking.

Nie aanbeveel vir kinders onder die ouderdom van 3 jaar nie.

**HOU BUITE BEREIK VAN KINDERS.****INTERAKSIES**

As jy ander medisyne gereeld gebruik, insluitend aanvullende (komplimentêre) of tradisionele medisyne, of as jy enige addisionele medisyne begin neem terwyl jy hierdie medisyne gebruik, raadpleeg jou geneesheer vir raad. Antibiotika kan die effektiwiteit van hierdie medisyne beïnvloed indien dit saam gebruik word. Neem die medisyne ten minste twee ure na antibiotika om die interaksie te verminder.

**DOSERING EN GEBRUIKSAANWYSINGS:**

Volwassenes en kinders ≥ 3 jaar: Neem 1 kapsule daagliks. Dosis kan verhoog word tot 2 kapsules indien nodig soos aanbeveel deur 'n professionele gesondheidsorgkundige. Neem die medisyne ten minste twee ure na antibiotika.

Moenie medisyne met enige ander persoon deel nie. In die geval van 'n oordosis, raadpleeg dadelik u gesondheidsorgverskaffer. Indien nie beskikbaar, kontak die naaste hospitaal of mediese sentrum vir advies.

**NEWE-EFFEKTE**

Newe-effekte kan intestinale gas en opgeblaasheid insluit. Nie alle newe-effekte is in hierdie voubiljet gelys nie. Indien u algemene gesondheidstoestand versleg of as u enige newe-effekte ervaar, hou onmiddellik op om die medisyne te gebruik en raadpleeg jou dokter, apteker of ander gesondheidsorgverskaffer vir advies.

**BERGINGSINSTRUKSIES**

Berg in 'n koel, droë plek onder 25 °C. Moet dit nie in 'n yskas bêre nie. Bêre in oorspronklike verpakking totdat dit benodig word vir gebruik. Hou weg van direkte sonlig.

**STOOR ALLE MEDISYNE BUITE BEREIK VAN KINDERS.****AANBIEDING**

'n Gedrukte eenheidskarton wat 10 of 30 GutFora™ probiotiese kapsules bevat (verpak in 'n blaasverpakkingstrook met 10 kapsules elk).

**IDENTIFIKASIE**

Wit kapsules.

**REGISTRASIE NOMMER**

Om toegeken te word.
